Florida International University
Departmental Indicators

I.a. Unique Annual Student Headcount

Source: Student Data Course File

Notes:

- Criteria for annual headcount by department and level.
- 1. BOG Academic Year encompasses Summer as the first term of enrollment, followed by Fall and Spring.
- 2. Students changing programs during the BOG Academic Year will be counted more than once.
- 3. Students progressing from Undergraduate to Graduate level will be counted more than once.
- 4. Students remaining in the same program and level during the year will be counted only once.
- 5. Degree seeking lower division students who are not yet fully admitted into the college are included.

IV. Admissions (Headcount)

Source: BOR Admissions File
Note:
A Student Level of "Unclassified" refers to Non-Degree Seeking/Certificate Seeking Students.
The numbers for the most recent academic year are preliminary and do not contain Spring data
